

**INSTRUCTIONS FOR DISPOSAL OF SPECIAL WASTES AND  
INFORMATION ABOUT UNACCEPTABLE WASTES  
NEW RIVER SOLID WASTE ASSOCIATION  
(386) 431-1000**

**Appliances:** Freon and capacitors must be removed before disposal. Contents must also be removed before arrival.

**Asbestos:** Contact Levy County Solid Waste at 352-486-3300 for instructions and disposal information..

**Automobile Batteries:** Take automotive batteries to your county's collections sites. They CANNOT be disposed of in the landfill.

**Barrels & Drums/Plastic or Metal:** The container must be completely empty, both ends be removed and crushed.

**Chemical Containers:** Example: Pesticide, herbicide, solvents, etc... These containers must be triple rinsed, free of any residue, empty, dry, and a hole punctured in the bottom (puncture must be visible). (MUST BE SEPARATED FROM THE REST OF YOUR MATERIALS)

**Dead Animals:** Must schedule an appointment to dispose of dead animals. Animals must be separated from all other materials.

**Engines/Motors:** Must be completely drained of all liquids; oil, gas, water, etc...

**Freon and Propane Tanks:** The valve in the tank must be completely removed, and the tank must visually be punctured. (MUST BE SEPARATED FORM THE REST OF YOUR MATERIALS)

**All Buckets Regardless of content:** Must have lids removed and be free of any liquids or hazardous wastes.

**Gas/Flammable Containers:** These must be triple rinsed, visually be punctured, and free of any residue. (MUST BE SEPARATED FROM THE REST OF YOUR MATERIALS)

**Liquids:** Florida law prohibits liquids from being disposed of in our solid waste facilities.

**Liquids Filters:** (Example: Used oil filters) Residents may cut away metal casing and drain filter well.

Businesses: Used oil filters from commercial/industrial/institutional sources are prohibited from disposal in landfill.

**Mixed Wastes:**

CLASS I – Disposal of prohibited or vegetative wastes (yard waste) mixed with any other acceptable solid wastes will be charged the mixed load clean-up fees of \$25.00 per hour labor / \$100.00 per hour equipment and operator. Loads containing mixed wastes may be rejected or charged the special handling rate.

**Oil:** Waste oil can be disposed of at your county's collection site. Rinsed oil containers or any debris with oil residue may go to Class I.

**Paint Cans:** Water base paint cans only (oil base paint cans are prohibited). The lids must be removed and contents must be completely dry.

**Pool Supply Containers:** Containers must be rinsed, dry, lids removed, and a hole punctured in the bottom.

**Tires:** Clean tires only. (MUST BE SEPARATED FROM THE REST OF YOUR MATERIALS).

**Mobile Homes:** Must remove any white goods, tires, or any other prohibited wastes before disposal and schedule appointment.
