

Regional Recycling

Effective January 1, 2015, New River Solid Waste entered into an agreement with Reliable Recycling, Lake City, Florida for collection and processing of cardboard, metal and aluminum, and paper products at the county collection sites, along with providing recycling services for commercial cardboard customers.

Contact Ed Higgs, Reliable Recycling, at 386-752-7022, or via email at ed-higgs@comcast.net for additional information or questions about available services.
