Unloading Assistance may be provided if the customer has prepared the load by attaching a chain or rope around the materials to be unloaded so that New River's equipment is able to hook to the chain or rope and pull the load off the vehicle.

The charge for unloading Assistance is \$10.00 per load pulled off and must be paid before unloading assistance is provided. This Liability Release must also be signed before any unloading assistance is received.

**LIABILITY RELEASE**  
**READ CAREFULLY BEFORE SIGNING**

The undersigned has voluntarily requested New River Solid Waste Association to provide assistance in helping unload solid waste from the undersigned's vehicle.

In consideration of providing assistance to me I, or my heirs, executors, administrators, personal representatives and guardians release and forever discharge New River Solid Waste Association and all their employees and representatives from all liabilities, claims, actions, damages, costs or expenses which I may have against them arising out of or in any way connected with the assistance which they have provided me or will provide me in unloading my vehicle. In addition, I release and discharge New River Solid Waste Association from all actions, claims, or demands that I and my heirs, executors, administrators, personal representatives and guardians now or in the future may have for any injury, death or property damage resulting from their participation in providing me assistance as stated above. I further agree to indemnify and hold harmless New River for any of the aforementioned actions.

I have carefully read this release and fully understand its contents.
